

PLEASE PREREGISTER YOUR EXHIBITS

Registration of entries is totally computerized.

Those who preregister will save a great deal of time when they bring their entries to the Fair on Friday, Sept. 2. Preregistered exhibitors will have their entry lists and exhibit tags ready and waiting for them. No waiting in line! Any last-minute additions, deletions or changes to your entries can be made easily and quickly.

Mail your preregistration form by Aug. 31. Also on Thursday, Sept. 1, preregistration paperwork will be accepted at the Exhibit Hall from 9 a.m.-6 p.m. **Please do not bring your actual entry items until Friday, Sept. 2.**

Please help us speed up the entry process by preregistering!
If you have any questions, call Sue Cole at 218-278-4405.
